## Changes to Location & Production for LW & MLW Series Rockers

Type of Change:

- Engineering     Part Number  
 Product         Appearance

There will be revisions to the production and manufacture location for LW and MLW Series Rockers. For MLW Series, "Japan" will no longer be displayed on the switch bodies, and the UL symbol will have the code "080" appear to its right. For both LW and MLW Series, the lot number on the switches will have a dot mark above the second digit, and the box in which the switches are packaged for shipping will read "PHILIPPINES FACTORY" instead of "JAPAN FACTORY." These changes will apply to standard and custom products.

Effected standard part numbers for LW Series and MLW Series are displayed on page 2.
